PRESTIGE

25kW & 40kW

Internal Domestic Pellet Boiler

'Prestige – the economy boiler with outstanding efficiency'

E-Compact Prestige

25kW & 40kW

Woodco's Prestige range is our economy boiler. A no nonsense robust boiler with outstanding efficiency and low emissions.

Standard features include:

- i-Gen controller
- Automatic heat exchanger cleaning
- Automatic burner cleaning (linear actuator)
- Sleek casing design
- Manual hopper filling
- Very generous ash pan
- Inspection glass on burner door
- Single fan
- Water pressure sensor and draught regulator as standard
- Energy efficient pump

Optional extras are:

- Automatic de-ashing
- Lambda control
- Additional 300kg fuel storage capacity (left or right option)
- Cyclomatic suction system or auger filling
- WiFi enabled for remote control and diagnostics

Smart Technology as standard

E-Compact i-Gen Controller

The ultimate in boiler control, the i-Gen enables 'out of the box' installation with fuzzy logic PID control, meaning the commissioning process is greatly simplified. Combined with Smart Technology.

i-Gen Features

- PID control
- Weather compensation as standard
- Buffer Management as standard
- Easy to use interface
- Daily, weekly, monthly programmer
- Fuel usage monitoring
- Service & De-Ash alerts
